Education

MSc in Business Analytics (with Distinction) — *United Kingdom*
Imperial College London – Business School — *2023–2025*

Postdoc — *Switzerland*
ETH Zürich — *2013–2015*

Dr. rer. nat. (magna cum laude) — *Germany*
Eberhard Karls Universität Tübingen — *2009–2013*

MSc in Agronomy (Soil Science and Plant Nutrition) — *Brazil*
University of São Paulo — *2007–2009*

Work experience

Head of Data Science — *Global*
Data Science Department, BUCHI Labortechnik AG — *2020–Present*

Consultant — *Global*
Food and Agriculture Organization of the United Nations (FAO) — *2026–Present*

Data Analytics Manager, NIR — *Switzerland*
Department of Near Infrared (NIR) Spectroscopy, BUCHI Labortechnik AG — *2016–2020*

NIR Software Specialist — *Switzerland*
Department of Near Infrared (NIR) Spectroscopy, BUCHI Labortechnik AG — *2014–2016*

Postdoctoral Researcher — *Switzerland*
ETH Zürich / Swiss Federal Institute for Forest, Snow and Landscape Research (WSL) — *2013–2015*

Associate Scientist — *Germany*
Department of Geosciences, Eberhard Karls Universität Tübingen — *2014*

Researcher — *Belgium*
Georges Lemaître Centre for Earth and Climate Research, Université Catholique de Louvain — *2011–2012*

Plant Breeding Manager — *Colombia*
Palmar del Llano (Oil Palm Plantation) — *2007*

Research Intern — *Colombia*
Colombian Research Centre for Oil Palm (Cenipalma) — *2006*

Tech stack

For example…
R, Python, SQL, Julia, C++, machine learning frameworks, data visualisation tools, …

Patents

EP4581349A1
Methods for providing a predictive model for spectroscopy and calibrating a spectroscopic device
